INFORMATION - TERMS AND CONDITIONS

While we are happy for your dog to holiday with you, we do have a number of requirements to keep everyone happy and maintain our high standard of health and safety. Please be aware of the following to avoid extra charges for additional cleaning & dry-cleaning.

Sorry, no puppies are permitted, unless by prior approval.

- ❖ **Keep your dog on a lead and under control always when within our grounds.** Please respect other guests, their dogs and the safety of the wildlife that lives within our grounds.
- ❖ Dogs **MUST** be completely towelled down and dried before entering the Cottages.
- ❖ **Dogs MUST NOT be Bathed/Washed/Cleaned inside the Cottages.**
(i.e. showered in the bathrooms). **This is against all health, safety and hygiene regulations.**

NO EXCEPTIONS APPLY.

Dog owners are totally responsible for their dog and for any/all personal injuries and/or property damage or losses in relation to any actions of their dog.

Dog owners must control/manage their dog at all times. Management reserves the right to ask any guest whose dog is deemed disruptive, aggressive or noisy to leave Coraki.

❖ Please keep in mind that not all our guests are holidaying with dogs.

EXERCISING YOUR DOG

You are free to exercise your dog off the lead on the shoreline in front of Coraki and the bush track in front of our property is ideal for dog walking.

Dog friendly beaches are located within a 10 – 15-minute drive from Coraki. See map for more information.

Much of our coastline falls within our National Parks and it is an offence to take dogs into these areas. On the spot fines may be issued by the ranger if you are found to have taken your dog into these areas.

We would like to continue to offer a holiday place for you and your dog so we trust that you will understand our need to have these guidelines in place.

Happy holidaying!
