### From Perth (Albany Highway)

Take Albany Highway to the large roundabout on the northern outskirts of Albany. Take first exit from roundabout "Chester Pass Road" signposted to Jerramungup, Borden, Esperance etc.

After 2.2kms turn RIGHT on 'Mercer Road'. Follow Mercer Road to its end (4.3kms).

Turn LEFT on Lower King Road and continue to Lower King Bridge (5.2kms).

Cross the bridge and you will see our sign pointing to the RIGHT into the picnic area.

Drive through picnic area and you will see our entrance way.

If you need to go into the city centre first (shopping, sight seeing etc.), then keep following Albany Highway until you come to the third roundabout which is at the top of 'York St' - the main street of Albany. To reach Coraki from the city centre, if you are coming UP 'York Street' take the second exit at the roundabout, which is 'Lockyer Avenue' and just keep following this road which runs into 'Ulster Road' and then eventually Lower King Road. You do not have to turn right or left - it just keeps winding through to Lower Kind Road.

### From Esperance or Stirling Ranges

Take Hassell Highway or Chester Pass Road to the junction of these roads (Bakers Junction Shell Roadhouse), which is 12kms from Albany.

Approximately 150 metres towards Albany turn LEFT on to Bon Accord Road and then RIGHT into Prideaux Road.

Prideaux Rd meets Lower King Road (T-junction).

Turn RIGHT into Lower King Road and then take your immediate LEFT into the picnic area just before the Lower King Bridge.

Drive through this area and you will see our entrance way.
